Dear Secretary,

### **INSURANCE COVER 2024**

As you are all aware the insurance premiums for 2024 are included as a benefit of Our League Active and there is no charge to Community Clubs for the insurance cover.

A significant amount of work has been undertaken again to secure Public Liability insurance for the Sport. We're pleased to confirm that cover has been renewed on the same basis, with the same insurer, who is looking to be a long-term partner of the game. As you are aware, 2024 saw major changes to regulation and laws relating to brain health. We knew this would not be easy, but we assured all that this was to protect the Sport for the long-term and this renewal is testament to not only those changes but how the Sport as a whole has adapted to them. For that reason, we thank you all for your hard work and dedication to this.

I have included below an explanation of the cover that is in place.

#### **Public Liability Insurance (including player to player cover)**

Insurer: AXA XL Insurance Company UK Limited  
Policy Number: 2052639/0  
Expiry Date: 14 July 2025

The Public Liability policy covers any Rugby League activity conducted by the club including sports and social activities directly connected with Rugby League and products supplied by the club. Cover also includes tenants' liability if you do not own your ground. Any clubs with separate Public Liability policies that do not undertake any non-Rugby League activities should contact Ian Roberts at Bartlett Insurance Brokers who can provide confirmation of cover to assist in providing evidence that the other policy is not necessary.

The policy terms and conditions remain unaltered from renewal.

### **Player to Player cover**

Limit of indemnity is £2,000,000 in the aggregate for all claims under the policy in any one period of insurance.

The RFL have once again **included** Player to Player Liability cover. This covers the liability of one player for injury caused to another player during a match or whilst training. It also insures the liability of coaches and match officials for player injuries arising during playing/training.

The cover responds to the cost of any damages arising from a claim and the often-substantial costs of a legal defence in the courts.

It should be noted that the "player to player" policy would exclude any deliberate acts as these are not insurable.
