We are looking for a volunteer who has a good understanding of the regional competitions, clubs and structures, within the South of England. (Midlands, East, West, South West and London)

This person would be the link between the Southern Leagues, the RFL and the England Community Lions programme.

### **Purpose of the Role**

- Be the link between the Community Lions/RFL Staff and the Southern Clubs and Regions
- Chair a sub group involving all the regions in the south (Midlands/West/South West/East and London) to help disseminate info and plan the years events/fixtures
- Work with relevant RFL/Lions staff to standardise a talent ID process
- In consultation with relevant RFL staff book the regional carnival, source medical/filming and match officials
- Ensure no regions go off in a different direction, where they do report to the RFL
- Ensure touring protocols are followed as and when opportunities present themselves from the European Rugby League Federation
- Represent the South at relevant RFL/Community Lions Meetings
- Keep England Community Lions head of programme up to date with dates/plans/talented players

### **Essential Experience and Specialist Knowledge**

- Sound knowledge and understanding of talent identification processes.
- Excellent planning skills.
- Excellent management and inter-personal skills.
- Excellent communication skills.

### **Desirable Knowledge**

- Knowledge of the community game at Tiers 3 and 4.
- A good working knowledge of IT including ability to work with common Microsoft packages.

### **Education and Training**

- A full, valid driving licence.
- Evidence of taking further personal development opportunities.
