SEV OF

2017 RATING: GOOD

Newcastle Thunder has again achieved the status of a "good" Academy. Newcastle has strengthened its working relationship with Newcastle Rugby Foundation, which has been embedded to further enhance its player pool. There is an excellent link with Further & Higher Education establishments. The Academy has a strong multi-disciplinary team that focuses on developing players holistically. To improve further, embryonic systems must be given time and critically reviewed. Whilst only holding category 2 status, there are many features of this Academy that could be considered to be at category 1 standard.
